*The Vale of Neath Patient Participation Group*

---

The NHS funded car scheme for the Vale of Neath Practice will cease to be funded at the end of March 2020 so there will be no car available at the surgery after this date

The Swansea Bay NHS Trust, the Vale of Neath practice and the Patient Participation committee are looking into ways of funding a new scheme run on a voluntary basis.

We are looking into obtaining grant funding for a new transport scheme. We think it will provide an exciting opportunity for a volunteer Co-ordinator to support a pool of voluntary drivers.

If you are interested in becoming a volunteer for this new scheme, please contact Practice Manager Alex Davies or Carolyn Edwards  
Chairperson to Patient Group
